

Name: Dr. Ilona Krisztina Fekete-Kruppi
Position: assistant professor
Academic degree: PhD (2003)
Telephone number: +3628522073/1839
E-mail: kruppine.fekete.ilona@uni-mate.hu

Institute of Environmental Sciences, Department of Environmental Analysis and Technology,
Environmental Chemistry Team

Professional experience

Education, qualification:

MSc in Environmental Agricultural Engineering, GATE, 1996

French-Hungarian Translator, GATE, 1996

MSc in Analytical Engineering, BME Faculty of Chemistry, 2017

Research activity:

Environmental analytical studies in water/sediment/soil systems

Information on doctoral studies: <https://doktori.hu/index.php?menuid=193&lang=HU&vid=6080>

Publication details:

https://m2.mtmt.hu/api/publication?format=html&labelLang=hun&sort=publishedYear_desc&cond=authors;eq;10013013t

Subjects taught:

- Chemical Analysis
- Environmental Analysis and Monitoring
- Water Management, Water Quality
- Fundamentals of Environmental Chemistry
- Horticultural Chemistry

Thesis topics:

- Field and laboratory analysis of water quality in small watercourses
- Analysis of toxic elements in drinking water
